City of Coral Gables
Miracle Mile & Giralda Avenue Streetscape Project
TRAFFIC IMPACT BULLETIN

Monday, July 18, 2016 – Sunday, July 24, 2016

The following construction schedule is subject to change due to unforeseen circumstances and/or weather conditions. Access to businesses will be maintained at all times.

MIRACLE MILE

Root Pruning
The Phase 1 and 2 root pruning, root barrier and structural soil placement has been completed. We anticipate commencing on Phase 3 root pruning in about 1-2 weeks – mid July 2016.

Miracle Mile Roadway Reconstruction from Salzedo Street to Galiano Street
The roadway reconstruction is under way**.** One lane of traffic will remain open at all times this week on the south side of Miracle Mile from Le Jeune Road to Douglas Road. There will be no night time closures this week. Twelve double-sided signs have been placed along the Miracle Mile median advising all stakeholders that all businesses are open throughout the entire construction process and where parking garages are located. Additional signs are being made.

Miracle Mile Electrical Work from Salzedo Street to Galiano Street
The electrical subcontractor has begun the installation of the underground electrical conduits.

Landscape Removals (Trees and Shurbs) – South Side Only
All landscaping is in the process of being removed on the south side of the median.

100 BLOCK OF GIRALDA AVENUE

Miami-Dade County Water & Sewer Department
The Miami-Dade County Water & Sewer Department (MD-WASD) is in the final stages of completing their project. They anticipate final completion by July 19th. Giralda Avenue should then be open to vehicular traffic.

Roadway Reconstruction
Roadway reconstruction and drainage work will begin at the end of next week.

Landscape Removals (Trees and Shrubs)
All landscaping is in the process of being removed.

WEEKEND WORK

Miracle Mile
No weekend work is anticipated to be performed on Miracle Mile at this time.

Giralda Avenue
No weekend work is anticipated to be performed on Giralda Avenue at this time.

Please drive cautiously and obey all signs in construction zones. Visit the project website for additional project information at www.gablesstreetscape.com.
