

**Monday, October 31, 2016 – Sunday, November 6, 2016**

The work being done this week is repetitive for the next few weeks in each block being worked on. Simultaneous roadway reconstruction work along Miracle Mile from Salzedo to Ponce de Leon Boulevard and Ponce de Leon to Galiano Street will continue this week along with work at Giralda Avenue. This work includes trench excavation, drainage work, irrigation pipe and tree installation.

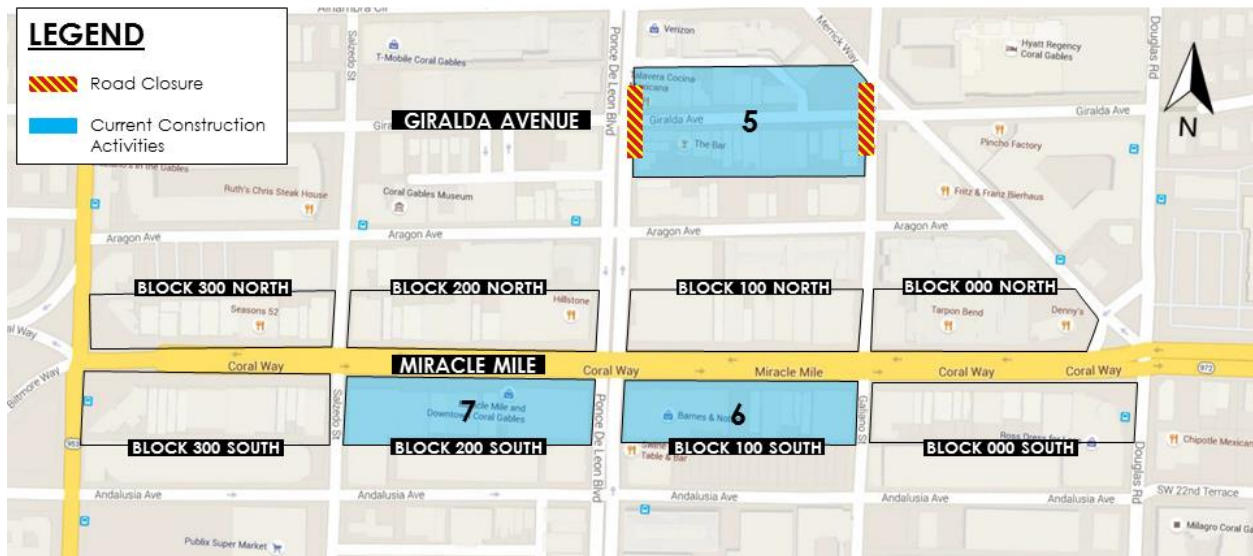

**CONSTRUCTION UPDATE\***

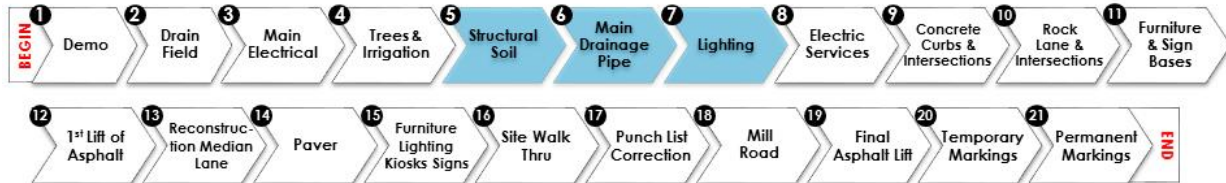

Pedestrian access to the stores will be maintained at all times. New paths and crosswalks are temporarily being installed as constructions progresses.

## STREETSCAPE BULLETIN – Miracle Mile & Giralda Avenue

### WHERE WE ARE NOW

### Construction Activities

### MIRACLE MILE CONSTRUCTION – from October 31, 2016 to November 6, 2016

**Block 100** –Installation of main storm sewer pipe to continue this week. Paver sample installation at corner of Ponce de Leon and Miracle Mile will be ready by Monday.

**Block 200** – Irrigation pipe installation and storm sewer drainage work. Storm sewer pipe installation including concrete pour around pipe. Concrete foundations for column lights.

One lane of traffic will remain open at all times on the south side of Miracle Mile from Le Jeune Road to Douglas Road.

This schedule may change due to inclement weather and/or any other unforeseen circumstances.

Construction will stop in the afternoon Monday October 31 in order to clean up for Halloween!

### GIRALDA AVENUE CONSTRUCTION – 100 BLOCK - from October 31, 2016 to November 6, 2016

Structural soil excavation and installation at the west end of Giralda. This material will allow tree roots to grow through the material and stop where root barriers are installed to avoid protrusion into sidewalks.

The street is now closed to vehicular traffic; however, pedestrian access to the businesses will be maintained at all times for the duration of construction. Water barriers have been installed in order to separate the work zone and pedestrian traffic. Temporary crossings have been installed and will be relocated as construction continues.

This schedule may change due to inclement weather and/or any other unforeseen circumstances.
