CONSTRUCTION UPDATE*

Pedestrian access to the stores will be maintained at all times. New paths and crosswalks are temporarily being installed as construction progresses.

NEW WATER MAIN ALONG MIRACLE MILE FROM SW 37 TO 42 AVENUES

The Miami-Dade Water and Sewer Department (WASD) has embarked on a Capital Improvement Program to provide necessary upgrades to the water and sewer infrastructure to continue providing high quality services, protecting public health, and the environment. One of these projects is the installation of a new 16-inch Water Main along Miracle Mile, from SW 37 to 42 Avenues.

The upgrade will not affect the water or wastewater services in the area. All efforts will be made to minimize the effects of the construction activities to area residents, businesses and motorists. Businesses will be notified in advance of any project-related activity that might impact access to individual businesses.

Project Information / Schedule

Phase 1 of the project is currently underway. This work includes the installation of the new pipeline at the intersections of Miracle Mile with Salzedo Street, Ponce de Leon Blvd. and Galiano Street. This work began on December 11, 2016. During Phase One the construction work is occurring between 11:00 p.m. and 7:00 a.m., Sunday to Thursday only.

Phase 2 is scheduled to start next Tuesday, January 17th with a projected completion date of May 2017. The construction work will occur between 10:00 p.m. and 10:00 a.m., Sunday to Thursday only. The work will require phased roadway closures of both lanes on the north side of Miracle Mile during the construction times at night. Lanes will reopen to traffic by 10:00 a.m. every morning. The site will be cleared of construction equipment as the street reopens each morning. Block-by-block construction work will begin on LeJeune Road, progressing toward Douglas Road. On-Street parking will be impacted by this project between the hours of 10:00 p.m. and 10:00 a.m. For a list of municipal parking garage and valet parking locations, visit www.gablesstreetscape.com.
