

Monday, May 15, 2017 – Sunday, May 28, 2017

SAVE THE DATE – CELEBRATE THE MILE

Friday, May 19th SE Corner of Miracle Mile and Salzedo

Join us to celebrate the official unveiling of the first two completed blocks of Miracle Mile. Enjoy expanded pedestrian spaces, outdoor seating surrounded by lush greenery and all the shopping and dining you know and love.

5:30-6:00pm Performance by Actors' Playhouse

6:00-6:30pm Ribbon Cutting

6:30-8:00pm Block Party

CONSTRUCTION UPDATE*

The work being done this week is repetitive for the next few weeks in each block being worked on. Simultaneous roadway reconstruction work along Miracle Mile from Le Jeune Road to Salzedo and Ponce de Leon Boulevard to Douglas Road will continue this week along with paver work on Giralda Avenue.

MIRACLE MILE CONSTRUCTION – May 15, 2017 to May 28, 2017

Block 300

- **South Side** – Le Jeune Plaza palm trees installed this week along with irrigation. New plumbing to the fountains will also be installed.
- **North Side** – Drainage work has started and will continue the next 2 weeks. Oak tree installation to follow drainage work the last week of May.

STREETSCAPE BULLETIN – Miracle Mile & Giralda Avenue

Block 200

- **South Side** – Sidewalk is open to pedestrian and valet parking station has been staged. Electrical and irrigation work on the median is being performed; final asphalt will follow with striping and signage. Both traffic lanes will be opened by May 15, 2017.

Block 100

- **South Side** – Sidewalk is open to open to pedestrians. Final asphalt will follow with striping and signage.
- **North Side** – Demo of trees has commenced, excavation for drainage work has started and will follow with installation of drainage pipe encased with concrete.

Block 000

- **South Side** – Paver installation to continue going east all the way to Douglas Road. Paver installation at storefronts to continue. One lane of traffic will remain open at all times on the south side of Miracle Mile from Le Jeune Road to Douglas Road.

GIRALDA AVENUE CONSTRUCTION – May 15, 2017 to May 28, 2017

The work being done this week is repetitive. Installation of pavers will continue east until completion. Bridalveil trees have been installed on the northeast corner of the street. Also, pavers have been installed on the east plaza and will continue installation to the west. We will continue to open paved areas as they are completed. Date Palms at center of Giralda have been installed, catenary poles have been installed and catenary cables are to continue with installation for new lighting. The stone bollards at the west side have been installed and the west side has been completed. The east side of Giralda will have a similar look.

The street is closed to vehicular traffic; however, pedestrian access to the businesses will be maintained at all times for the duration of construction. Water barriers have been installed in order to separate the work zone from pedestrian traffic. Temporary crossings have been installed and will be relocated as construction continues.

IMPORTANT GIRALDA NEWS: The City of Coral Gables Commission voted to close Giralda Plaza to cars as a pilot project for a two-year period, as requested by the majority of businesses and property owners on the street. A dining plan is in the works to provide greater clarity with respect to outdoor seating locations, furniture and fees.

OUTDOOR DINING

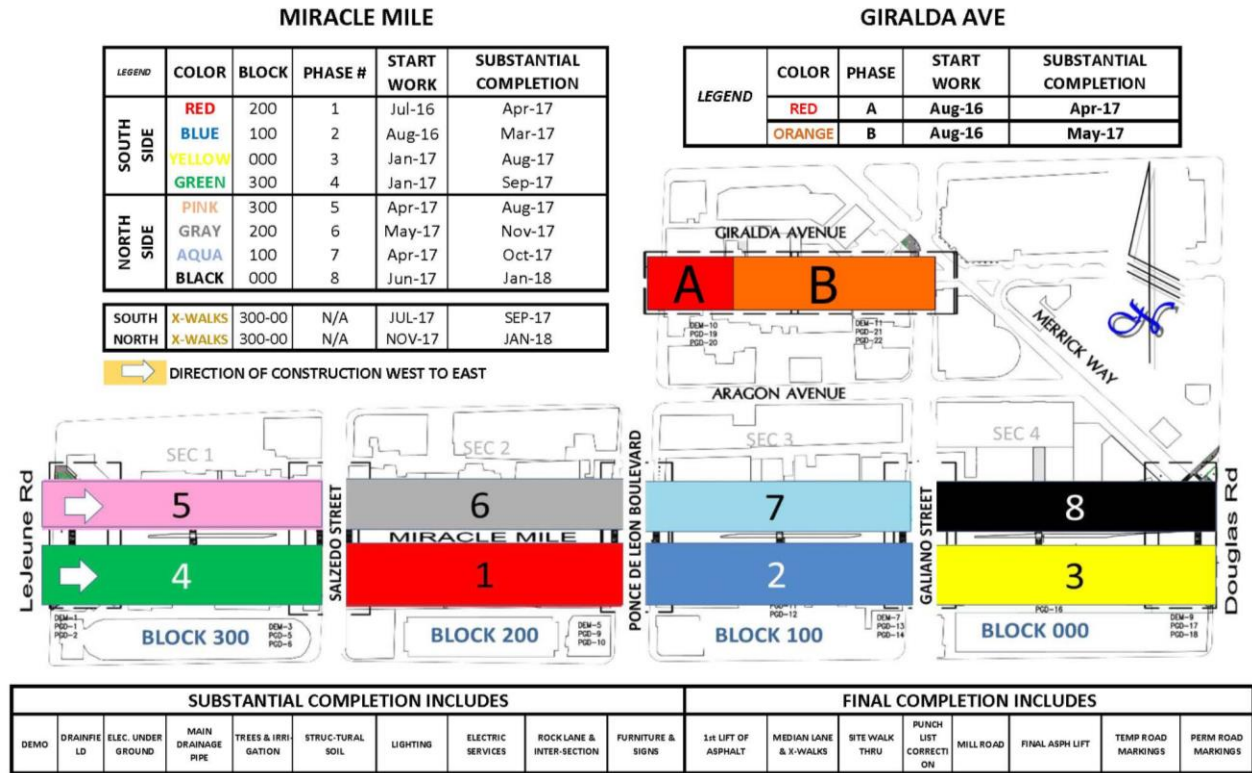

The City is developing an Outdoor Dining Plan that will govern outdoor dining locations, furniture options, fees, and other related items on the new streets; we hope to be able to share this with you soon. Any rumors you may hear about these items, should be taken as just that, rumors, as none of the Dining Plan's provisions have been finalized or released.

In the meantime, outdoor dining on the newly opened streets is prohibited. The outdoor dining that is taking place on Saturdays on Giralda Plaza is being done as a special event called Giralda Alfresco, and is restricted to only that location and on those dates.

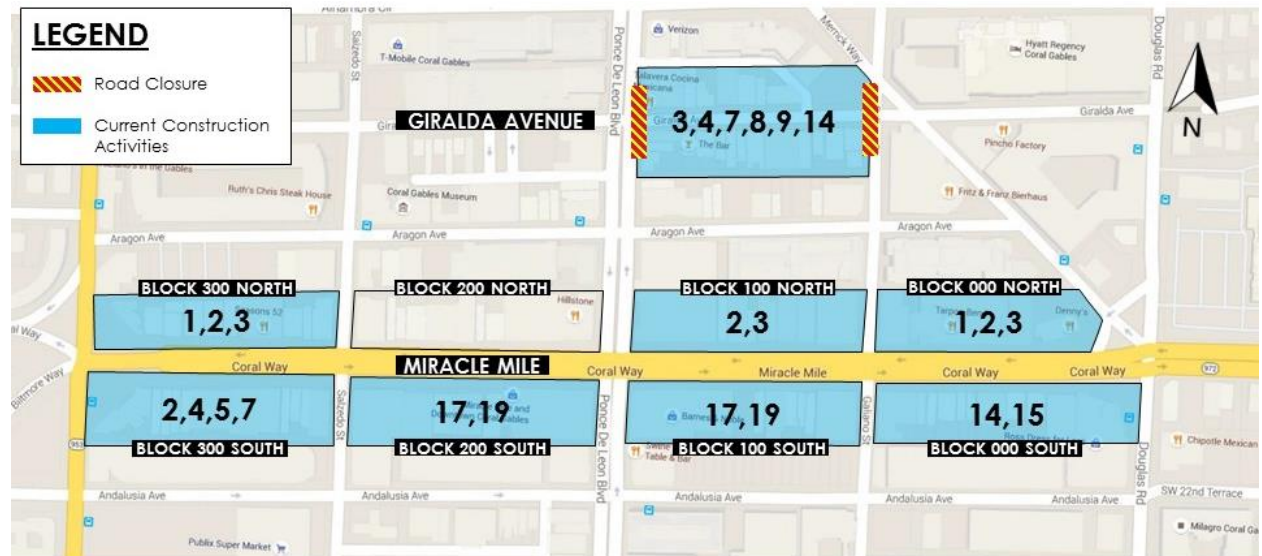

While we know that you are anxious to start activating the outdoor dining areas, you are strongly encouraged to wait until the Outdoor Dining Plan is released, your permit is in hand, and the City has taken control of the streets from the Contractor. Any furniture that you purchase without the City's review and approval is at your own risk, and may not be allowed. Any merchant placing outdoor furniture on the street without a permit will be cited. Other outdoor activities, such as amplified music, tents, retail sales, signage, etc., are also prohibited at this time, unless otherwise approved by the City as a special event.

CONSTRUCTION SEQUENCE MAP – NEWLY REVISED

WHERE WE ARE NOW

Construction Activities

PARKING VOUCHERS

The City of Coral Gables has made parking vouchers for public parking garages available to merchants for the use of their customers. The vouchers were provided to the Business Improvement District (BID) for distribution to businesses being directly impacted by construction. Please call the BID at 305-569-0311 to pick up or ask for additional vouchers.

GIRALDA AVENUE VALET PARKING VOUCHERS

In addition to the parking vouchers provided to merchants for nearby garages, Giralda's Restaurant Row is also offering free valet. In partnership with the City, Restaurant Row merchants on the 100 block of Giralda Avenue may provide complimentary valet vouchers to their customers, at their discretion. Merchants requiring additional vouchers should contact the Parking Department at parking@coralgables.com or 305-460-5541.

A valet station is now operating at the northeast corner of Ponce de Leon Boulevard and Giralda Avenue for lunch (11 a.m. – 5 p.m.) and dinner (6 p.m. – 12 a.m.) Monday to Saturday. There is another station on the west side of Galiano Street between Giralda Avenue and Aragon Avenue operating for lunch (11 a.m. – 4 p.m.) and dinner (6 – 11 p.m.) Monday to Saturday. The valet station will remain open until midnight on Friday and Saturday.

NEW WATER MAIN ALONG MIRACLE MILE FROM SW 37 TO 42 AVENUES

Project Information / Schedule

The Miami-Dade Water and Sewer Department (WASD) has embarked on a capital improvement project that will make necessary upgrades to the water and sewer infrastructure. WASD is installing a new 16-inch Water Main along Miracle Mile (on the north side of the median), from SW 37 to 42 Avenues.

Phase 2 of the project is currently underway (started Tuesday, January 17th with a projected completion date of June 2017). The construction work will occur between 10:00 p.m. and 10:00 a.m., Sunday to Thursday only. The work will require phased roadway closures of both lanes on the north side of Miracle Mile during the construction times at night. Lanes will reopen to traffic by 10:00 a.m. every morning. The site will be cleared of construction equipment as the street reopens each morning. Block-by-block construction work will begin on Le Jeune Road, progressing toward Douglas Road. On-street parking will be impacted by this project between the hours of 10:00 p.m. and 10:00 a.m. For a list of municipal parking garage and valet parking locations, visit www.gablesstreetscape.com. When the street is closed at 10:00 p.m. restaurant customers on the closed block will be provided an alternative location for retrieving their vehicles.
